

## **R/C MERT E-BOARD AGENDA: 01/27/15**

---

### **Operations:**

- Vehicle decals – vendor says he can do the striping on the back of Vehicle 800; he's warned us that it might "damage the integrity" of the reflective material, but we're going to see what happens
  - We're officially removing the slash from "R/C MERT" – at least on the vehicle, as it really doesn't make any sense
- EASV – we're planning to talk to Lt. Reed about getting this done because other means have not been working so well
  - It would let us respond on public roads – the example we were given is that we could respond to calls if we were at Chipotle
- Public Safety Issues – they've been transporting patients to the hospital without dispatching MERT first. If you're listening to DPS on the radio and you hear this happen, please write an IR. Otherwise, Greta will be talking to them about it
- SCAPE – in most recent meetings, SCAPE has finally been rewriting the medical amnesty policy. The goal is for it to make sense.

### **Training:**

- CPR class – **this Saturday, the 31<sup>st</sup> of January**. Begins at **3 pm** in the **UHS classroom**. If anyone's CERT expires *within the semester*, please come!

### **Secretary:**

- I hope you guys enjoyed these minutes!

### **Public Relations:**

- Feel Fabulous in February – Monday, February 16<sup>th</sup> from 4 to 6 pm
  - We'll be doing an interactive activity about panic attacks, teaching students how to deal with them
- College Diabetes Network is inviting a diabetic triathlete to speak on February 7<sup>th</sup> from 2-3 pm about the experience of being diabetic and running a triathlon
  - Cosponsoring only requires three members, so we will be cosponsoring!

### **Equipment:**

- Backboard – we're currently missing a backboard..
- Oxygen tanks – Lt. Reed filled them. If they get below 1000, leave them by the door and notify Brian

### **Webmaster/Scheduler:**

- Sign up for February shifts before February 1<sup>st</sup>! Fulfill your shift requirement

### **QA/QI:**

- Answer your flags!
- In other news, if you've gotten your flu shot and you need a flu sticker on your ID (which you should if you don't have one already), you need to get it from the Med Center UHS (not the one on River Campus)
