

R/C MERT E-BOARD AGENDA: 04/22/14

Operations:

- New AED has been ordered
- E-Board Summer Projects
 - All SOPs will be updated over the summer
- Dandelion Day Friday (4/25)
 - Schedule is full and the Google Doc has been made un-editable
 - After the tent goes down at 8 pm, we will move to either Wilson Commons or UHS (if Rooms 121/122 in WilCo are not available)

Training:

- 803 Evaluations
 - On the desktop and to be printed once we have paper
- Parent-Teacher Conferences
 - Occurring on Thursday and Sunday
 - Please show up on time!
- Optional in-service on seizures next weekend

Secretary:

- Application “Subcommittee”
 - An e-mail/survey will be sent out to the membership for feedback on the fall application for new members

Equipment:

- Crew Chief Jacket Embroidery
 - Jackets were sent off for embroidery today
 - We do not know when they will return
- Standby Bag Form has been updated
- D-Day Equipment Update
 - Red, blue, and green bags will be used on D-Day

Public Relations:

- Nada

Webmaster/Scheduler:

- Mobile App
 - A mobile app is going to be created for shift sign-ups, etc.

QA/QI:

- AED Update
 - Alec Girten will be helping Tomich with AED mapping
- D-Day Chart Review
 - 801s will be doing chart review while waiting in the tent on D-Day
- Paper charting will have to happen Saturday night when EMSCharts shuts down
