

R/C MERT E-BOARD MINUTES: 03/25/14

Operations:

- Vehicle Design
 - We're looking into options for a remote start for Vehicle 800
 - Decal – an upside-down “V” is mandated on all fire apparatuses and ambulances and will therefore be on Vehicle 800 when decals are redone

Training:

- 802 applications are due this Friday
- New 803 evaluations will start with the next NMOP class

Secretary:

- Attendance Policy – from now on, only members with unavoidable conflicts with GMM will be excused (i.e. members will not be excused to study for exams)

Equipment:

- Our expired/out-of-date/unused equipment has been donated to Haiti through someone connected to UHS
- Standby Bag – no longer the green bag; now the blue bag from the vehicle
- Training Bag – the old standby bag will become another training bag
- Fleeces – ordered fleeces will be here in about two weeks

PR:

- FB Group for MERT Members – we're creating a Facebook group for MERT that will be closed to the public (unlike our Facebook page), so that members can be reminded of application deadlines, meetings, etc.

Webmaster/Scheduler:

- Google Calendar – all MERT events will be put on a Google Calendar to share with everyone in the organization

QA/QI:

- Will be transitioned soon!
